Tote Truck Available in:

60 Gallons (0.3 Cubic Yard)

Durable: Can withstand adverse weather conditions. Rhino Tote Trucks offer a low maintenance service life and are corrosion, rust & chip resistant

Long Lifespan: Commercial-grade construction plus UV protection extends the life of the container and enables use both indoors and outdoors

Robust Wheels: For smooth handling and maneuverability

Tote Truck:
4" Castors (2 Swivel and 2 Non Swivel)

Frames: Powder-coated to reduce corrosion, prevent flaking and ensure long service life

Steel Push Handle: Designed for comfortable push or pull operations when empty or full

Rhino Rim: Creates a strong and sturdier rim, enhances the finish and appearance of the product

Easy to Clean: Smooth surfaces and seamless construction makes cleaning easier and quicker

Available Colours:

Roto Blue
Moss Green
Black

The Cover is available in Black only.
