Tilt Truck Available in:
202 Gallons (1.0 Cubic Yard)

Durable: Can withstand adverse weather conditions. Rhino Tilt Trucks offer a low maintenance service life and are corrosion, rust & chip resistant

Long Lifespan: Commercial-grade construction plus UV protection extends the life of the container and enables use both indoors and outdoors

Robust Wheels: For smooth handling and maneuverability

Tilt Truck:
4" Castors (2 swivel) and 8" Wheels (2 roller bearing)

Frames: Powder-coated to reduce corrosion, prevent flaking and ensure long service life

Steel Push Handle: Designed for comfortable push or pull operations when empty or full

Rhino Rim: Creates a strong and sturdier rim, enhances the finish and appearance of the product

Easy to Clean: Smooth surfaces and seamless construction makes cleaning easier and quicker

Optional Hinged Lid: Hinged Lid allows easy access to contents without removal and conceals loads without decreasing capacity

Available Colours: 
Granite Blue
Granite Green
Granite Grey
The Cover is available in Black only.
